****Weekend Camping Rules for the Road***

1. A Scout is Clean - All Scouts are expected to keep themselves clean. That means washing up every day and when dirty; brushing your teeth twice a day (once in the morning, and once before you go to bed); changing your clothes every day; wearing separate, clean clothing for sleeping; keeping personal eating utensils, cups, and plates clean; keeping their quarters clean; and not littering.

2. Safety and the Buddy System - All Scouts must not leave the campsite unless they have the permission of one of the adult leaders and they have another Scout (buddy) with them.

3. A Scout is Obedient - All Scouts will be expected to cooperate with the requests of their patrol leader, senior patrol leader, and adult leaders.

4. A Scout is Helpful - All Scouts will be expected to pitch in with the work. This includes gathering wood, helping to cook, helping to clean up, etc.

***Scouts who disregard the rules may have their parents called to pick them up and/or barred from future camping trips.**
